For the purpose of uniformity and informational accuracy, it is hereby notified for information of all concerned that the format of NOCs / title verification to be issued by stakeholder departments w.r.t River Bed Mining projects has been finalized by JKEIAA and the same is available on the website of the Department of Ecology, Environment & Remote Sensing at URL: www.jkdears.com, under "Important Links" section. All the stakeholder departments are requested to examine the proposed minor mineral mining block, boundaries vis-à-vis their office records, presence of offtake points of Zamindari Kuhls/canals, pumping stations, dug wells, flood protection structures, fisheries assets, and information regarding nearest forest boundary pillars, nearest boundary pillars of National Park/Sanctuaries, bridges/footbridges, culverts and other departmental assets on the Google Earth Image using the KML file to be supplied by the project proponent or his/her consultant and also through field inspection as per requirement.

All the Dy. Commissioners to forward the NOCs /title verification of the minor mineral blocks under Single Window System, **only if** these are issued by district level stakeholder departments as per the prescribed format of NOC's laid out by the Authority.
